During the year under review, the aggregate gross revenues from operations (turnover) was Rs. 58210.16 Cr as compared to Rs. 32714.84 Cr in the previous Financial Year reflecting 78% growth. Net profit, however, increased by 4.53% at 10.37 Cr compared to Rs. 9.92 Cr last year, due to volatile market in Iron and Steel product, increased interest costs and high depreciation in value of Indian Rupee against forex. Companies consolidated EBIDT for the year are was at 21.79 Cr which is 12.72% higher than the preceding financial year.

DIVIDEND :

Taking into account the sustained good performance of the Company, Your Directors have recommended a Dividend of 30% (Rs. 3 per share) on the Equity Shares of Rs. 10/- each for approval by the Members. The total dividend, if approved by the shareholders at the Annual General Meeting, would absorb Rs. 185.00 lacs out of profits for the year. Dividend distribution tax payable amounting to Rs. 30.01 lacs has been appropriated out of profits.

PROSPECTS IN THE COMING YEAR :

During the financial year 2011-12, ship-breaking industry at Alang Ship Breaking Yard seen a sustained growth and this booming trend is expected to continue in coming years also. Trading unit of the

HARIYANA SHIP BREAKERS LIMITED

company has done tremendously well during the year and the trend is expected to continue in the coming years. Steel and Power unit has also driven better results in terms of sales as compared with preceding years and it is hoped that the growth story of the unit shall be sustained. Overall, since the prices of iron and Steel having been reasonably stabilized and the inventory levels of the company and its market position, all the segments of the company, viz. Ship Breaking, Sponge Iron and Trading, are expected to see major increase in terms of Gross Revenues and Net profit Margins in the coming year.

With the changed circumstances, the company is hopeful that in the coming period the company will continue its ship breaking activities and take it to the level of extended growth and will contribute more to the overall growth of the business of the company. The trading in Iron and Steel activities of the company are doing well and are contributing considerably to the profitability of the company. The sponge iron division of the company also has given good results during the year, and with the increased management focus on market environment, the unit is also expected to yield positive results in the current year as well in the coming years. The financing and investment division of the company is also doing well. Your directors see a very positive and bright future prospects ahead for the company looking to the prevailing upward trend in the Iron and Steel sector in India and internationally.

The company has entered into a partnership in M/s. Hariyana Air Products (with 60% share.) for the manufacture and supply of Industrial Oxygen Gas in the year 2011-12. During the year the oxygen plant at Bhavnagar, Gujarat has also performed well. Because of proximity to Alang Ship Breaking Yard and huge captive consumption requirements of group companies, the company expects good long term benefits from the said partnership venture.

The Company is also taking interest into real estate business. For which has entered into Partnership in the name of "White Field Projects" (with 40% share) for construction & selling of residential apartments. The firm has acquired 1 Acre & 20 Guntas of land at Seegehalli, Whitefield, Bangalore with the object of constructing 2 & 3 BHK apartments consisting of 132 Flats. Likely date of completion of the project is October 2012.

The Company has also entered into Partnership and formed a Partnership Firm "Orchid Woods Projects" (with 50% share) for construction & selling of residential apartments. The firm has acquired 3 Acres of land at Kothanur, Hennur Baglur Main Road, Bangalore with the object of constructing 2 & 3 BHK Apartments consisting of 392 Flats. Likely date of completion of the project is August 2014.

The Company has also entered into partnership (with 33.33% share) to form a partnership firm "Swastik Developers" for construction of building. The firm has acquired 66 Acres of land in Goa. The project is expected to commence soon.

Management Discussion and analysis**a) Overview :**

The company is now a diversified company with ship breaking, manufacture of sponge & iron, trading activities & investment and finance activities. The company has also diversified into Real Estate and Construction by going into partnerships with experienced entrepreneurs in the field.

b) Segmental Review :

During the financial year 2011-12, ship-breaking industry at Alang Ship Breaking Yard seen a substantial growth and the trend is expected to continue in coming years also. However, fluctuating and volatile prices of old Ships, Iron and Steel products coupled with depreciation in value of Indian Rupee vis-à-vis US Dollar during the year, the net profit margins of this segment has been affected despite substantial increase in sales. Trading unit of the company has done tremendously well during the year and has achieved nearly 100% increase in sales turnover and increase in net profit margin. Steel and Power unit has also driven better results in terms of sales , however fluctuating and volatile prices in Iron and Steel sector and also depreciation in value of Indian Rupee vis-à-vis US Dollar during the year during the year unit could not deliver profits. However, prices having been reasonably stabilized and the inventory levels of the company and its market position, all the segments of the company, viz. Ship Breaking, Sponge Iron and Trading, are expected to see manifold increase in terms of Gross Revenues and Net profit Margins in the coming year.

i) Ship breaking :

As has been stated in the out-look, due to boom in the availability of old ships in the international market, the company's ship breaking unit at Alang Ship Breaking Yard, Bhavnagar was fully operational throughout the year. During the year company has also attained 85% growth in terms of sales turnover and has achieved sales turnover of Rs. 16,456.75 lacs as against Rs. 8887.88 lacs last year. During the financial year 2011-12, ship-breaking unit seen a substantial growth and the trend is expected to continue in coming years also. However, fluctuating and volatile prices of old Ships, Iron and Steel products during the year and also major depreciation in value of Indian Rupee vis-à-vis US Dollar , the net profit margins of this segment has been affected despite substantial increase in sales. Though the year under review saw fluctuation in the international market of old ships coming for breaking, the management was very cautious and purchased ships at proper time and built a good level of inventories to earn better profits in coming years. Now the market has stabilized and taking into account the inventory level of the company as at the year end, it is hoped that the turnover and the profitability will see a further increase in the current financial year.

ii) Steel & Power

As has been stated in the out-look, the sponge Iron segment has also attained 5% growth in terms of sales turnover and has achieved sales turnover of Rs. 6,004.48 lacs

as against 5,697.28 lacs last year. However, fluctuating and volatile prices of Iron and Steel products during the year and also major depreciation in value of Indian Rupee vis-à-vis US Dollar, the unit could not achieve positive profits during the year despite increase in sales. The management is of the view that the iron and steel industry is doing well and with the expected boost in the economy the requirement of steel is slated to increase and the unit will also move further towards its sustained path of growth. Sponge iron is one of the basic raw materials for the iron and steel industry and therefore the Directors are confident that the sponge iron division of the company should do better in the coming years.

iii) Trading :

The Trading segment has also attained double of sales turnover at Rs. 35748.94 lacs as against 18129.67 lacs last year. The segment has achieved net profit of Rs. 836.63 lacs as against net profit of Rs. 653.24 lacs last year. The management is of the view that the iron and steel sector is doing well and with the expected boost in the economy the requirement of steel is slated to increase and the unit will also move further towards its sustained path of growth.

iv) Investment & Finance :

Investment and Finance is not main business of the company. As and when surplus funds are available with the company, the company lent the same with a view to earn interest and short term and long term capital gain. As stated in earlier paras of this annual report, the company has entered into partnership in various construction and real estate projects and has acquired a major share in such real estate investments. Such projects are expected to yield good profits to the company in short to medium term of periods.

The segmental results for the year are summaries as under.

(Rs. In Lacs)

Particulars	Investment & Finance	Ship-Breaking	Trading	Steel & Power	Total

- Cash Outflow from Financing Activities	(417.95)	(275.74)
- Net Cash Inform/(Outflow)	4.36	(9.23)

e) Risk Management :

The Company is exposed to the risk from the market fluctuations of foreign exchange as well as the fluctuation in the price of iron and steel. In the ship breaking division, the raw material is old ship, which is purchased from the international market on credit ranging up to 180 days to 360 days. Though the Company is regularly monitoring the foreign exchange movement and suitable remedial measures are taken as and when felt necessary. Though the company is employing such measures, the company is still exposed to the risk of any heavy foreign exchange fluctuation.

Likewise the company's finished products are mainly re-rollable scrap generated from ship breaking and the price of the same is linked to the market rate for iron and steel. Any up and down in the price of the iron and steel will affect the profitability of the company. However based on the past trend any further major down fall in the price of iron and steel is not expected.

AUDITORS REPORT

To
The Members
Hariyana Ship Breakers Limited

We have audited the attached Balance Sheet of **HARIYANA SHIP BREAKERS LIMITED** as at 31st March, 2012 and also the Statement of Profit & Loss and the Cash Flow for the year ended on that date annexed thereto (collectively referred to as Financial Statements). These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Companies Act, 1956 we enclose in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the said Order.

Further to our comments in the Annexure referred to above we report that:

- i) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the propose of our audit;
- ii) In our opinion, proper books of account, as required by the law have been kept by the Company so far as appears from our examination of the books;
- iii) The Balance Sheet and Statement of Profit & Loss and Cash Flow Statements dealt with by this report are in agreement with the books of account;
- iv) In our opinion, the Balance Sheet and Statement of Profit & Loss dealt with by this report, read with other notes in Note 1, forming part of the accounts, comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 except **AS-15 for non provision for gratuity and long terms employee benefits.**
- v) On the basis of the written representations received from the Directors, as on 31st March, 2012, and taken on record by the Board of Directors, we report that none of the Directors is disqualified as on 31st March, 2012, from being appointed as Director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956:

- Vi) In our opinion and to the best of our information and according to the explanations given to us, the said accounts read with notes and schedules thereon give the information required by the companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting the principles generally accepted in India.
- i) In the case of Balance Sheet of the state of affairs of the company as at 31st March, 2012 and
 - ii) In the case of Statement of Profit & Loss of the Profit of the company for the year ended on that date.

ANNEXURE TO AUDITORS' REPORT

Referred to in paragraph 3 of our report of even date.

- i)
 - a) The company has maintained proper records showing the full particulars, including the quantitative details and situation of its fixed assets.
 - b) All the assets have not been physically verified by the management during the year, but there is a regular programme of physical verification, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - c) During the year the company has not disposed off any core assets which could affect the going concern status of the company.
- ii)
 - a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
 - b) The procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
 - c) The Company is maintaining proper records of the inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- iii)
 - a) The company has taken loans from Five parties covered in the register maintained under section 301 of the Companies Act, 1956. The maximum amount involved during the year was Rs. 5.96 Crores and the year-end balances of loans taken from such parties were Rs. 5.96 Crores.

There is Three parties covered in the register maintained under section 301 of the Companies Act, 1956, to which the company has granted loans. The maximum amount involved during the year was Rs.78.80 Crores and the year-end balance of loans granted to such party was Rs. 33.96 Crores.
 - b) In our opinion, the rate of interest and other terms and conditions on which loans have been taken from/granted to companies, firms or other parties listed in the register maintained under section 301 of the Companies Act, 1956 are not, prima facie, prejudicial to the interest of the company.
 - c) The Company is regular in repaying the principal amounts as stipulated and has been regular in the payment of interest. The parties have repaid the principal amounts as stipulated and have been regular in the payment of interest.
- iv) In our opinion and according to the information and explanations given to us, there are adequate internal control procedures commensurate with the size of the company and the nature of its business with regard to purchases of inventory, fixed assets and with regard to the sale of goods. During the course of our audit, we have not observed any continuing failure to correct major weakness in internal controls.

- v) a) According to the information and explanations given to us, we are of the opinion that the transactions that need to be entered into the register maintained under section 301 of the Companies Act, 1956 have been so entered.
- b) In our opinion and according to the information and explanations given to us, the transactions made in pursuance of contracts or arrangements entered in the register maintained under section 301 of the Companies Act, 1956 and exceeding the value of rupee five Lakhs in respect of any party during the year have been made at a price which are reasonable having regard to prevailing market prices at the relevant time.
- vi) According to the information and explanations given to us, the company has not accepted any deposits from the Public. However the company has taken unsecured loans from Associate Companies.
- vii) The Directors themselves conduct the affairs of the company. The company does not have a formal system of internal audit but there are adequate checks and controls at all levels.
- viii) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2011 prescribed by the Central Government under Section 209(1)(d) of the Companies Act, 1956 and are of the opinion that prima facie the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- ix) a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including Income Tax, Sales Tax, Custom Duty, Cess and other material statutory dues applicable to it.
- b) According to the information and explanation given to us, no undisputed amounts payable in respect of income tax, wealth tax, sales tax, customs duty and cess were in arrears, as at 31st March 2012 for a period of more than six months from the date they become payable.
- c) According to the information and explanations given to us, there are no dues of custom duty, wealth tax, central excise duty and cess, which have not been deposited on account of any dispute except Sales tax pertaining to previous years Rs. 17,50,000/-.
- x) In our opinion, there was no accumulated losses of the company, therefore the provision of clause 4 (x) of the Companies (Auditors Report) Order 2003 are not applicable to the Company.
- xi) In our opinion and according to the information and explanation given to us, the company has not defaulted in repayment of dues to a financial institution, banks or debenture holders.
- xii) In our opinion and as per the information provided to us, the company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.

HARIYANA SHIP BREAKERS LIMITED

- xiii) In our opinion, the company is not a chit fund or a nidhi mutual benefit fund/society. Therefore the provision of clause 4 (xiii) of the Companies (Auditors Report) Order 2003 is not applicable to the Company.
- xiv) In our opinion, the company has maintained proper records of the transactions and contracts in respect of dealing or trading in shares, securities, debentures and other investments timely entries have been made therein. All shares, securities, debentures and other investments have been held by the company in its own name.
- xv) In our opinion, the terms and conditions on which the company has given guarantees for loans taken by others from banks or financial institutions, the terms of which are not prima facie not prejudicial to the interest of the company.
- xvi) As per the information and explanation given to us the company has not raised any term loans during the year.
- Xvii) According to the information and explanations given to us and on an overall examination of the balance sheet of the company, we report that no funds raised on short term basis have been used for long term investment. However the long term funds have been used to finance short-term investment.
- Xviii) According to the information and explanations given to us, the company has not made any issue of shares or securities during the year.
- xix) According to the information and explanations given to us, during the period covered by our audit, the company has not issued any debentures.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2012

1 CORPORATE INFORMATION :

Hariyana Ship Breakers Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares is listed on One stock exchanges in India. The company is engaged in various business activities.

During the year, the Company was engaged in Ship Recycling (ship breaking), Manufacturing of Sponge Iron & Steels, Trading in Ferrous & Non-Ferrous Metals and Coal and Investment and Finance. As and when any surplus fund are available, the same is given on interest to other parties and also invested in the shares and securities to earn short term and long term capital gains.

1.1 BASIS OF PRESENTATION :

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

a) SIGNIFICANT ACCOUNTING POLICIES

During the year ended 31 March 2012, the revised Schedule VI notified under the Companies Act 1956, has become applicable to the company, for preparation and presentation of its financial statements. Adoption of revised Schedule VI does not materially impact recognition and measurement principles followed for preparation of financial statements.

However, it has significant impact on presentation and disclosures made in the financial statements. The company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

b) USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) TANGIBLE FIXED ASSETS :

Fixed Assets are stated at cost, less accumulated depreciation (other than 'Freehold Land' where no depreciation is charged) and impairment loss, if any. Cost comprises the purchase price, including duties and other non-refundable taxes or levies any directly attributable cost of bringing the asset to its working condition and indirect costs specifically attributable to construction of a project or to the acquisition of a fixed asset.

In the event of the same having been revalued, they are stated at the revalued figures. Expenditure relating to fixed assets is added to costs only when the same involved modification work whereby it increases the life of the assets. Fixed assets acquired from ships during the course of scrapping operation are capitalised at value estimated by the management.

d) DEPRECIATION ON TENGIBLE ASSETS :

I Depreciation is provided on the straight line method, pro-rata basis to the period of use, so as to write off the original cost of the asset over the remaining estimated useful life (as per technical evaluation by the Management at the time of acquisition) or at rates prescribed under the Schedule XIV to the Companies Act, 1956, whichever is higher, on the following basis :

Tangibale Fixed Assets	Method	Estimated useful Life
Factory Shed & Building	Straight line	Not Estimated
Other Buildings	Straight line	Not Estimated
Plant & Machinery	Straight line	3 to 10 Years
Furniture & Fixtures, Office Equipments, etc	Straight line	5 Years
Vehicle	Straight line	4 Years
Computers	Straight line	3 Years
Leasehold improvements	25% or the rate based on lease period, whichever is higher	

II No depreciation is provided for assets sold during the year whereas pro-rata

depreciation is provided on assets acquired during the year.

e) IMPAIRMENT OF ASSETS

The Company assesses on each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The amount so reduced is treated as an impairment loss and is recognised in the Statement of Profit and Loss, except in case of revalued assets, where it is first adjusted against the related balance in fixed assets revaluation reserve.

If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is carried at the recoverable amount subject to a maximum of depreciated historical cost.

f) BORROWING COSTS

Borrowing costs that are directly attributable to the acquisition, construction/development of a qualifying asset are capitalized as a part of cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Costs in connection with borrowing of funds to the extent not directly related to the acquisition of fixed assets are amortised and charged to the Statement of Profit and Loss, over the tenure of the loan.

g) INVESTMENTS

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Investment in Partnership Firm as trade investment which shown at their book value at cost.

h) VALUATION OF INVENTORIES

Items of inventories are measured as :

- | | |
|-----------------------------|--|
| i) Ship Materials | At Cost |
| ii) Trading Goods in Trade | At Lower of cost or net realisable value |
| iii) Steel Raw Materials | At cost |
| iv) Steel Finished Products | At Lower of cost or net realisable value |

The weight of the ship purchased is accounted in terms of LDT of the ship at the time of its construction. Ascertaining of weight of ship at the time of purchase is not possible due to its nature and size. There is loss of weight on account of corrosion and other factors during the usage of the ship and its voyage for about 20 to 25 years.

Inventory at the close of the year is ascertained by reducing the weight of the scrap sold together with the estimated wastage of the material.

Stores & Spares are written off at the time of purchase itself and no inventory is maintained.

i) RECOGNITION OF INCOME AND EXPENDITURE

Revenue is recognised only when it can be reliably measured and it is reasonable to

expect ultimate collection. Turnover include sale of goods, services, sales tax, service tax, excise duty and sales during trial run period, adjusted for discounts (net) , Value Added Tax and gain/loss corresponding hedge contracts.

Dividend income is recognized when right to receive is established. Interest income is recognized on time proportion basis taking into account of the amount outstanding and rate applicable.

j) FOREIGN CURRENCY TRANSACTIONS

Purchase in respect of raw materials are accounted for on actual payment basis if the same are made before the year end and/or at the rate of foreign exchange booking are made. In all other cases, the purchases and also the liability in respect of said foreign exchange are stated as converted at the exchnage rate prevalent at the last day of the financial year.

k) EXCISE DUTY & CENVAT

Excise duty is chargeable on production but is payable on clearance of goods. Accordingly excise duty on the goods manufactured by the company is accounted for at the time of their clearance. Excise duty payable is adjusted against the Cenvat credits, to the extent it is available and balance duty is paid and debited to Revenue.

l) PROVISION FOR TAXATION

Tax expense comprises both current and deferred tax.

Current income-tax is recognised at the amount expected to be paid to the tax authorities, using the tax rates and tax laws, enacted or substantially enacted as at the balance sheet date. Income from shipping activities is assessed on the basis of deemed tonnage income of the Company.

Deferred income-tax is recognised on timing differences, between taxable income and accounting income which originate in one period and are capable of reversal in one or more subsequent periods only in respect of the non shipping activities of the Company. The tax effect is calculated on the accumulated timing differences at the year end based on tax rates and laws, enacted or substantially enacted as of the balance sheet date. Deferred Tax Assets are recognised and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such Deferred Tax Assets can be realised.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period.

m) RETIREMENT AND OTHER EMPLOYEE BENEFITS

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The company has no obligation, other than the contribution payable to the provident fund.

The Management is also of the opinion that the payment of pension Act, is not applicable to the Company. Employees are eligible for gratuity at the time of retirement as per provisions of Payment of Gratuity Act. Provision for Gratuity has not been made in the Accounts as per AS - 15 and the same will be accounted for as and when payment is

made.

n) AMORTIZATION OF PRELIMINARY EXPENSES

Preliminary expenditure amounting to Rs. 30,18,523 /- has not been written off during the year as the company is yet to generate revenue from its Power Project. The same will be amortized over a period of 5 years from the year in which revenues are derived from business operations.

o) EARNING PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognised nor disclosed in the financial statements.

q) CASH & CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, cash at bank and short-term fixed deposits with maturity period not more than three months.

r) MEASUREMENT OF EBITDA

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The company measures EBITDA on the basis of profit/ (loss) from current year operations. In its measurement, the company does not include depreciation and amortization expense, finance costs and tax expense.

1.2 NOTES FORMING PART OF THE ACCOUNTS

- a) During the year, the Company was engaged in Ship Recycling (ship breaking), Manufacturing of Sponge Iron & Steels and Trading in Ferrous & Non-Ferrous Metals activities. However, as and when any surplus fund are available, the same is given on interest to other parties and also invested in the shares and securities to earn short term and long term capital gains.
