Vice Chairman and Managing Director of the Company, Mr Anil Jain said:

"We are pleased to present the Q3 financial result of the Company. We entered the Q3 period in October with uncertainty of the covid all around and skepticism in mind, but with the hope that scenario can only be better. With this belief, our teams in rural and semi-urban areas have catered admirably to the agriculture sector. We are an agri-inputs Company with our range of products, services and advisory and feel proud to have contributed to the agri sector which has shown good growth amongst the GDP constituents in last three quarters. This is well reflected in the better financials of the Company in the quarter.

On the standalone Company, we are pleased with the run rate achieved and the ebitda has turned positive. The debt resolution has progressed well and we are pleased to state that we are close to implementation in coming weeks. Hereafter, we are confident of increasing the capacity utilization and increasing the product range in the near times to come. The overseas subsidiaries' performance continues to be stable with steady growth, despite challenging covid times. Of our various locations, certain geographies like Israel are ahead in vaccination and this is lending support to the business. In India, we are gradually increasing the dealer network and spreading outreach into newer districts.

While we take all these steps, we are maintaining focus on improving further working capital efficiencies and controlling costs and thereby improving margins. We continue to engage intensively with the lenders on the debt resolution and sincerely thank them for their continued support. We are hoping to perform better in Q4, which is a busy period for our operations. We are seeking and are thankful to the employees, customers, vendors and advisors for their unwavering support and understanding of the times. "

Notes:

1. Unaudited Financial Result has been reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on 13th February, 2021.
2. The Statutory Auditors of the company have carried out a Limited Review of the aforesaid results.
3. The company invested huge resources in developing technology, infrastructure, marketing, promotions, business process and fulfillment services till FY2016-17 in order to expand its retail network and customer base. Since it is an innovative process of Retailing where the company orchestrates 3rd party physical retail stores with virtual inventory, the business model required continuous investments till it reaches the breakeven point and turns profitable.
   In March 2017, the company had been classified into the Graded Surveillance Measure (GSM) list by BSE. The criteria for classifying the company into GSM was not very clear to us. The impact of classifying company in GSM by BSE had led to trade restrictions and a complete 'roadblock' in terms of raising additional capital from new investors. Thus new fund raising had became an extremely challenging and a daunting task. At present the company is placed in stage I of GSM list. Consequent to classifying into GSM and failing in raising fresh capital for the business, the company has suspended it's operation wef 1st April, 2017.
   The company is exploring various opportnities and partnerships in order to revive its Internet Retail activities.
4. Acquisiton process of Citicycle India Pvt. Limited and making it as 100% subsidiary of the company is under process as per the Memorandum of Understanding sigend with the company and its promoters. The target company needs to comply with certain terms and conditions, precedent to such event.
5. Upon the recommendation of the Audit Committee towards financial rehabilitation of the company, subject to the approval of the members and other regulatory authorities, the Board approved the reduction of capital of the company by way of reducing the present face value of Rs. 4 (Rs. FOUR) each share to Re. 1 (Re. ONE) which shall result in reduction of capital by Rs. 639 lacs. The effect of the same however, shall be given in the financial statement only upon obtaining all the required approvals from the members and regulatory authorities. The scheme of financial rehabilitation is under preparation.
6. The company is constantly monitoring the impact of COVID-19 in revival of its operations and taking necessary steps to deal with the same. The loss on account of delay in implementing the project is not ascertainable at this stage.
