Limited review report on standalone financial results

Review Report to the Board of Directors of INDUCTO STEEL LIMITED

We have reviewed the accompanying statement of unaudited financial results of INDUCTO STEEL LIMITED for the period ended June 30, 2016. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement, except non implementation of Accounting Standards on Consolidation of quarterly results of Associate Partnership Firms and Joint Ventures which have not been presented in the form of Consolidated Results. The Management is of the view that it is line with the consistent accounting policy adopted by the company to consolidate the same on annual basis only.

We did not review the financial statements of one branch included in the quarterly financial results and year to date results, whose interim financial statements and other financial information have been reviewed by other auditors whose report has been furnished to us, and our opinion on the quarterly financial results and the year to date results, to the extent they have been derived from such interim financial statements is based solely on the report of such other auditors.
